

Bone Health and Osteoporosis

A Surgeon General's Report

PART ONE: WHAT IS BONE HEALTH?	1
Chapter 1: A Public Health Approach To Promote Bone Health	2
Key Messages	2
The Magnitude of the Problem	5
The Challenge	6
The Opportunity	8
The Charge	9
Evidence Base for the Report	11
Organization of the Report	11
References	14
Chapter 2: The Basics of Bone in Health and Disease	16
Key Messages	16
Why Do We Have Bones?	17
How Bones Work	18
How Bones Change Throughout Life	20
What Keeps Bones Healthy?	25
What Causes Diseases of Bone?	29
What Is Osteoporosis?	30
The Future: Where a Better Understanding of Bone Biology Can Take Us	32
Key Questions for Future Research	35
References	36
Chapter 3: Diseases of Bone	40
Key Messages	40
Osteoporosis	41
Rickets and Osteomalacia	53
Renal Osteodystrophy	54
Paget's Disease of Bone	54
Developmental Skeletal Disorders	55
Malignancy and the Skeleton	57

Oral Health and Bone Disease	59
Key Questions for Future Research	60
References	61
PART TWO: WHAT IS THE STATUS OF BONE HEALTH IN AMERICA?	67
Chapter 4: The Frequency of Bone Disease	68
Key Messages	68
Fractures Caused by Bone Disease	69
Osteoporosis	75
Other Metabolic Bone Diseases	81
Developmental Skeletal Disorders	81
Acquired Skeletal Disorders	81
Prospects for the Future	82
Key Questions for Future Research	83
References	84
Chapter 5: The Burden of Bone Disease	88
Key Messages	88
Impact on Society	89
Impact on the Individual	95
The Burden of Other Bone Diseases	102
Key Questions for Future Research	103
References	105
PART THREE: WHAT CAN INDIVIDUALS DO TO IMPROVE THEIR BONE HEALTH?	109
Chapter 6: Determinants of Bone Health	110
Key Messages	110
Nutrition's Impact on Bone Health: A Review of the Evidence	115
Physical Activity	122
Weight	130
Falls and Fall Prevention	132
Reproductive Factors	135
Medical Conditions and Drugs	137
Smoking, Alcohol, and Environmental Threats to Bone	139
Key Questions for Future Research	141
References	142

Chapter 7: Lifestyle Approaches To Promote Bone Health	158
Key Messages	158
Nutrition	159
Physical Activity	171
Fall Prevention	177
Other Aspects of a Bone-Healthy Lifestyle	179
Summary	180
Key Questions for Future Research	180
References	181
PART FOUR: WHAT CAN HEALTH CARE PROFESSIONALS DO TO PROMOTE BONE HEALTH?	185
Chapter 8: Assessing the Risk of Bone Disease and Fracture.....	186
Key Messages	186
Step 1: Identify At-Risk Individuals Who Require Further Evaluation	188
Step 2: Measuring Bone Mineral Density (BMD) for Individuals at Risk of Osteoporosis	198
Looking to the Future: Potential Complements to BMD	208
Key Questions for Future Research	212
References	213
Chapter 9: Prevention and Treatment for Those Who Have Bone Diseases	218
Key Messages	218
A Pyramid Approach	221
The Base of the Pyramid: Maintaining Bone Health and Preventing Fractures	222
The Second Level of the Pyramid: Assessing and Treating Secondary Causes	224
The Third Level of the Pyramid: Treatment	226
Key Questions for Future Research	244
References	245
Chapter 10: Putting It All Together for the Busy Health Care Professional	254
Key Messages	254
Children and Adolescents	256
Adults	261
Older Adults	268
Key Questions for Future Research	275
References	276

PART FIVE: WHAT CAN HEALTH SYSTEMS AND POPULATION BASED APPROACHES DO TO PROMOTE BONE HEALTH?	279
Chapter 11: Systems-Based Approaches to Bone Health	280
Key Messages	280
Overview	281
Systems-Based Approaches for Various Stakeholders	284
Special Populations	300
Conclusions	303
Key Questions for Future Research	303
References	305
Chapter 12: Population-Based Approaches To Promote Bone Health	310
Key Messages	310
Definition of Population-Based Interventions	311
Evidence of the Effectiveness of Population-Based Interventions	313
Communication Tools for Population-Based Interventions	317
Population-Based Interventions: Conclusions	321
Program Examples	320
Building on Success	334
Key Questions for Future Research	338
References	340
PART SIX: CHALLENGES AND OPPORTUNITIES: A VISION FOR THE FUTURE	345
Chapter 13: A Vision for the Future: A Framework for Action To Promote Bone Health	347
A Framework for Action	347
The Role of Key Stakeholders	350
Key Action Steps	348
The Importance of Partnerships Among Stakeholders	354
Conclusion	354
APPENDICES	357
Appendix A: Congressional Language Calling for Surgeon General's Report	357
Appendix B: How Do We Know What We Know: The Evidence Behind the Evidence	359
Appendix C: Resources and Related Links	365
ABBREVIATIONS AND ACRONYMS	373
LIST OF TABLES AND FIGURES	377
INDEX	381
